The weekend started with an Invitation Race on Friday which set the format for the weekend with Hatrick showing the way but having a few minor problems and leaving the close racing to Juggernaut, Manyana and Blondie, with the Seawind 24s Grinner and Montage snapping at their heels and the rest of the Cruising Division boats having their own little race and not far behind.

#### Invitation Race Overall

1st Juggernaut                      2nd Blondie IX                      3rd Escape

The rest of the weekend saw two Heat races each day with the best three to count plus line honours trophy, three Divisions racing, Classic (boats designed before 1982) and Cruising Division with 12 boats evenly divided between these Divisions.

Saturday started with a strong southwester easing slightly for the afternoon race and eased a bit more for the Sunday morning race before finally a northeaster tried to come in Sunday afternoon, which left us with a 5 to 10 swinging breeze in Botany Bay to test out the light weather specialists and the patience of the other skippers.

**Note 1:** Handicaps History (in minutes) is in the Notes column.

**Note 2:** Confirmed Financial Members have KCC listed as their Club. Non-Financial Members will be adjusted as per the KCC 2005-2006 Sailing Instructions Attachment A (A1) Also note that some skippers sail two different boats - as the software cannot handle this situation, this means that their results will be manually adjusted at the completion of the series - not before!
