1.0 About the Event:

- 1.1 2025 is the 14th year that KCC juniors has held the Kurnell Cup, an Open Skiff regatta. Due to multiple requests from ex Open skiff sailors who now sail Laser's, we have invited them to the regatta. We hope to attract competitors from all over the state. Last year we had 56 Open Skiff entrants and hope to top that this year. This will be a great event with a major emphasis on having fun with a competitive element. In keeping with this theme, the event will consist of formatted races, with lots of other fun activities throughout the day. There will also be the **adult on Skiff race** that has now developed into one of the most competitive and amusing races of the weekend. Probably on the Sunday.
- 1.2 Saturday will consist of green fleet fun events and fun racing. Points racing for silver, gold and Laser fleets.
There will also be an adventure race. (free accommodation available at Kurnell see below).
- 1.3 **Saturday night there will be a social gathering at the club. We will order PIZZA and everyone wishing to eat can chip in for the PIZZA. Beer wine and soft drinks available.**
- 1.4 Sunday will be points score for the Kurnell Cup gold silver and Green fleets and the Lasers
- 1.5 Time and weather permitting we will be running the Tug of War challenge (Kurnell verses rest of world)
- 1.6 And of course the infamous water slide challenge.
- 1.7 As well as providing some competitive racing in the gold fleet, we are also aiming to make this event an excellent opportunity for novice sailors to compete in. This event will aim to provide a fun and easy introduction to regatta sailing.
Like many others in this racing class of O'pen Skiff, some KCC and other club sailors have only been sailing for a few weeks in this season. Therefore, we hope to achieve this by splitting the fleet into three groups, gold fleet silver fleet and green fleet.
The silver fleet will sail a much shorter course so all the beginner sailors can complete the course without difficulty.

There will be (off the beach starts) racing for Green fleet sailors and fun events, the course will be just a few meters off the beach. Fleets will be finalised on the day.

2.0 About the Venue:

Notice of Race

2.1 Our Location

As you will see from a unique location in Kurnell we sail off a beautiful beach named Silver Beach on Prince Charles Parade, Kurnell.

Kurnell is only 20 mins drive from Mascot airport and on the South Eastern shore of Botany Bay.

No crowds or moorings to deal with and little boat traffic, mean it's easy and safe sailing for the juniors. The wide sandy beach also allows families and friends to enjoy the sailing as the juniors sail along the shore line.

2.2 The Clubhouse

Our clubhouse is opposite the beach and provides many facilities including toilets, showers, boat storage and a great place to meet or have a coffee and a bite to eat. There is a balcony that allows parents to watch the juniors sailing or to simply take in the view across Botany Bay and to the city skyline. There is a bar serving beer and wine.
